

The Best Plan by Every Measure

Why bet on anything less?

Sumner Resorts Harrah's Kansas is the only true destination resort casino proposal, and is the only proposal with all the benefits up front. Other proposals are phased over time only if the initial phase works.

Sumner Resorts Harrah's Kansas is the only proposal by a local Kansas developer, and was the first bid on the table. With Harrah's proven track record, 40 million Total Rewards members, and solid financial commitment, you can count on Harrah's to deliver.

Sumner Resorts Harrah's Kansas will deliver the most jobs and the most local and state revenue - more than \$96 million per year. This is millions more per year than any other proposal.
